

- VOLÉ SONG -

*Frè-mwen, my bro
I remember my first song heard on radio
It binds us, music guides us like hands unknown.
Long days on stage
Makes it all worth the time for my peace of mind
That's what I dreamed of a song from my heart everlasting*

*Each time my voice wraps 'round a melody
One thousand words, all of them heard*

*Opens my soul, you can see.
Bring love and harmony*

*Whenever you're feelin' down and out...
Just sing your song, I'm sure there'll be no doubt
The story begins, the notes sail on and on until new stage...*

*Man konnet, man ja tounen
From Broadway to Sakiyo
Chayé nou, chalviré nou
Kon si nou viv tou sa nou révé
Nou bay alé, bien filé pou klèsi lès-pri-w
Mi sa nou révé, an chanté ki soti di tjè-nou pou di'w, wi...*

*Sé lè vwa-nou bokanté mélodi
Milion pawòl yo sé lé tann*

*Moun ké wè limiè nanm-nou
Pou tout detès pé sispann*

*Whenever you're feelin' down and out...
Just sing your song, I'm sure there'll be no doubt
The story begins, the notes sail on and on and on and on...*

*And on, on and on, my song goes on
A million and one thoughts of my own*

*My song goes on, my song
From dawn to twilight it makes me whole*

*My song goes on, my song
A million and one thoughts of my own*

*Whenever you're feelin' down and out...
Just sing your song, I'm sure there'll be no doubt
(x 2)*

Alè nou paré fè nòt volé, volé, volé, volé...

Volé...
